

Dear WDC Family & Friends,

Your safety and well-being is paramount at Warrick Dunn Charities, Inc. (WDC). Like you, we recognize and understand that there is tremendous concern about COVID-19 (Coronavirus), and we wanted to provide you with an update on behalf of our organization.

First and foremost, we are closely monitoring all of the breaking developments and following guidance from both the Centers for Disease Control and Prevention (CDC) and the World Health Organization (WHO). At WDC, we want to ensure a safe and healthy environment for our staff, volunteers, program participants, sponsors, donors, and loved ones, and will take every precautionary measure possible to safeguard our family members.

Secondly, we will be aligning with the recommendations and procedures set forth by our community partners, event venues, and vendors, and will urgently communicate with you if there are any changes, postponements, or cancellations of our WDC sponsored workshops, programs, or events, as a result of the Coronavirus pandemic. At this time, no decisions have been made in this regard.

Additionally, we are asking any staff, volunteers, or program participants who are sick to stay at home and are strongly encouraging everyone in our WDC family to practice healthy hygiene habits through rigorous hand washing; refraining from touching your face; limiting contact with crowds; and frequently sanitizing surfaces.

We understand that the Coronavirus situation is evolving daily, so for additional guidance on COVID-19, please visit the Centers for Disease Control's website at www.cdc.gov for their latest reports.

Sincerely,

Warrick Dunn
