**Please join us for a family-friendly afternoon of fun to further support our impactful mission and to celebrate the 25th Anniversary of our Homes for the Holidays Program!**

Inspired by our Founder's life journey, Warrick Dunn Charities, Inc. empowers families to break the cycle of generational poverty and achieve a better quality of life for all. Our flagship program **Homes for the Holidays** partners with local community organizations to reduce the financial burden on single parent homeowners by fully furnishing their new house, providing down payment assistance, and stocking the pantry with food and other household necessities.

Since 1997, the Homes for the Holidays program has rewarded 201 single parents nationwide who have achieved first-time homeownership. Today, Warrick Dunn Charities, Inc. has expanded our flagship homeownership initiative to include four additional programs: **Betty's Hope**, **Count on Your Future**, **SCULPT**, and **Hearts for Community Service Scholarships**. Together, our five program pillars are dedicated to strengthening families and transforming communities by combating poverty, hunger, and improving the quality of life academically, socially, and economically for underserved communities.
